You can now earn graduate-level credit for your Project Lead The Way Core Training (CTI) courses. Missouri University of Science and Technology’s Education 5100 Courses (EDUC 5100) prepare K-12 educators to become more effective teachers of STEM-focused material. By enrolling in an EDUC 5100 course, you can earn between one and four graduate-level credits, depending on the length of the summer course in which you enroll.

**Cost Per Credit Hour:**
$235.50 per credit hour (normal rate $471 per credit hour)
Payment is due at the time of registration

**Credit Hours Earned:**

No applications will be accepted after this date.

**APPLICATION INSTRUCTIONS**
Apply online – https://connect.mst.edu/register/PLTW
Application fee waived.
This is a one-time application process to be done in one setting. You will need to have the following materials ready to upload before you submit your application.

- **Statement of purpose** (brief explanation of why you are applying for the course). Please include the name of your CORE Training and the number of credit hours in this section of the application.
- **Transcripts**: providing unofficial transcripts are fine for an admit decision; however, you will need to request official transcripts from all schools attended.

Once you have been admitted, you will receive an email with instructions on how to register for your classes. Payment will be due upon registration.
